### What is 100+ Guys Who Give Tucson?

We are a group of guys who want to give back to our local community but in todays world, it can be hard to find the time to donate or feel like you are making an IMPACT by giving just \$100. The 100+ model was started in 2006 and taking after our local women's chapter (100+ Women Who Care Tucson), we decided we needed a group that was efficient with time and money to help our Tucson community. We get together 4 times per year and each guy gives \$100 to the charity nominated and voted on by our members. In less than 1 hour, we collect over \$10,000 to help out a local charity!

### Why support 100+ Guys Who Give Tucson?

This group is 100% volunteer run and 100% of the \$100 given by the members each quarter goes directly to the chosen charity. The expenses related to hosting 4 large events per year along with upkeep costs on websites, CRM's, and all the other administrative costs of running an organization are funded only by our amazing Sponsors!

We would love to have you join that sponsor team!
